

A thin, vertical blue line is positioned in the center of the image, extending from the middle towards the bottom.

SEBIOR

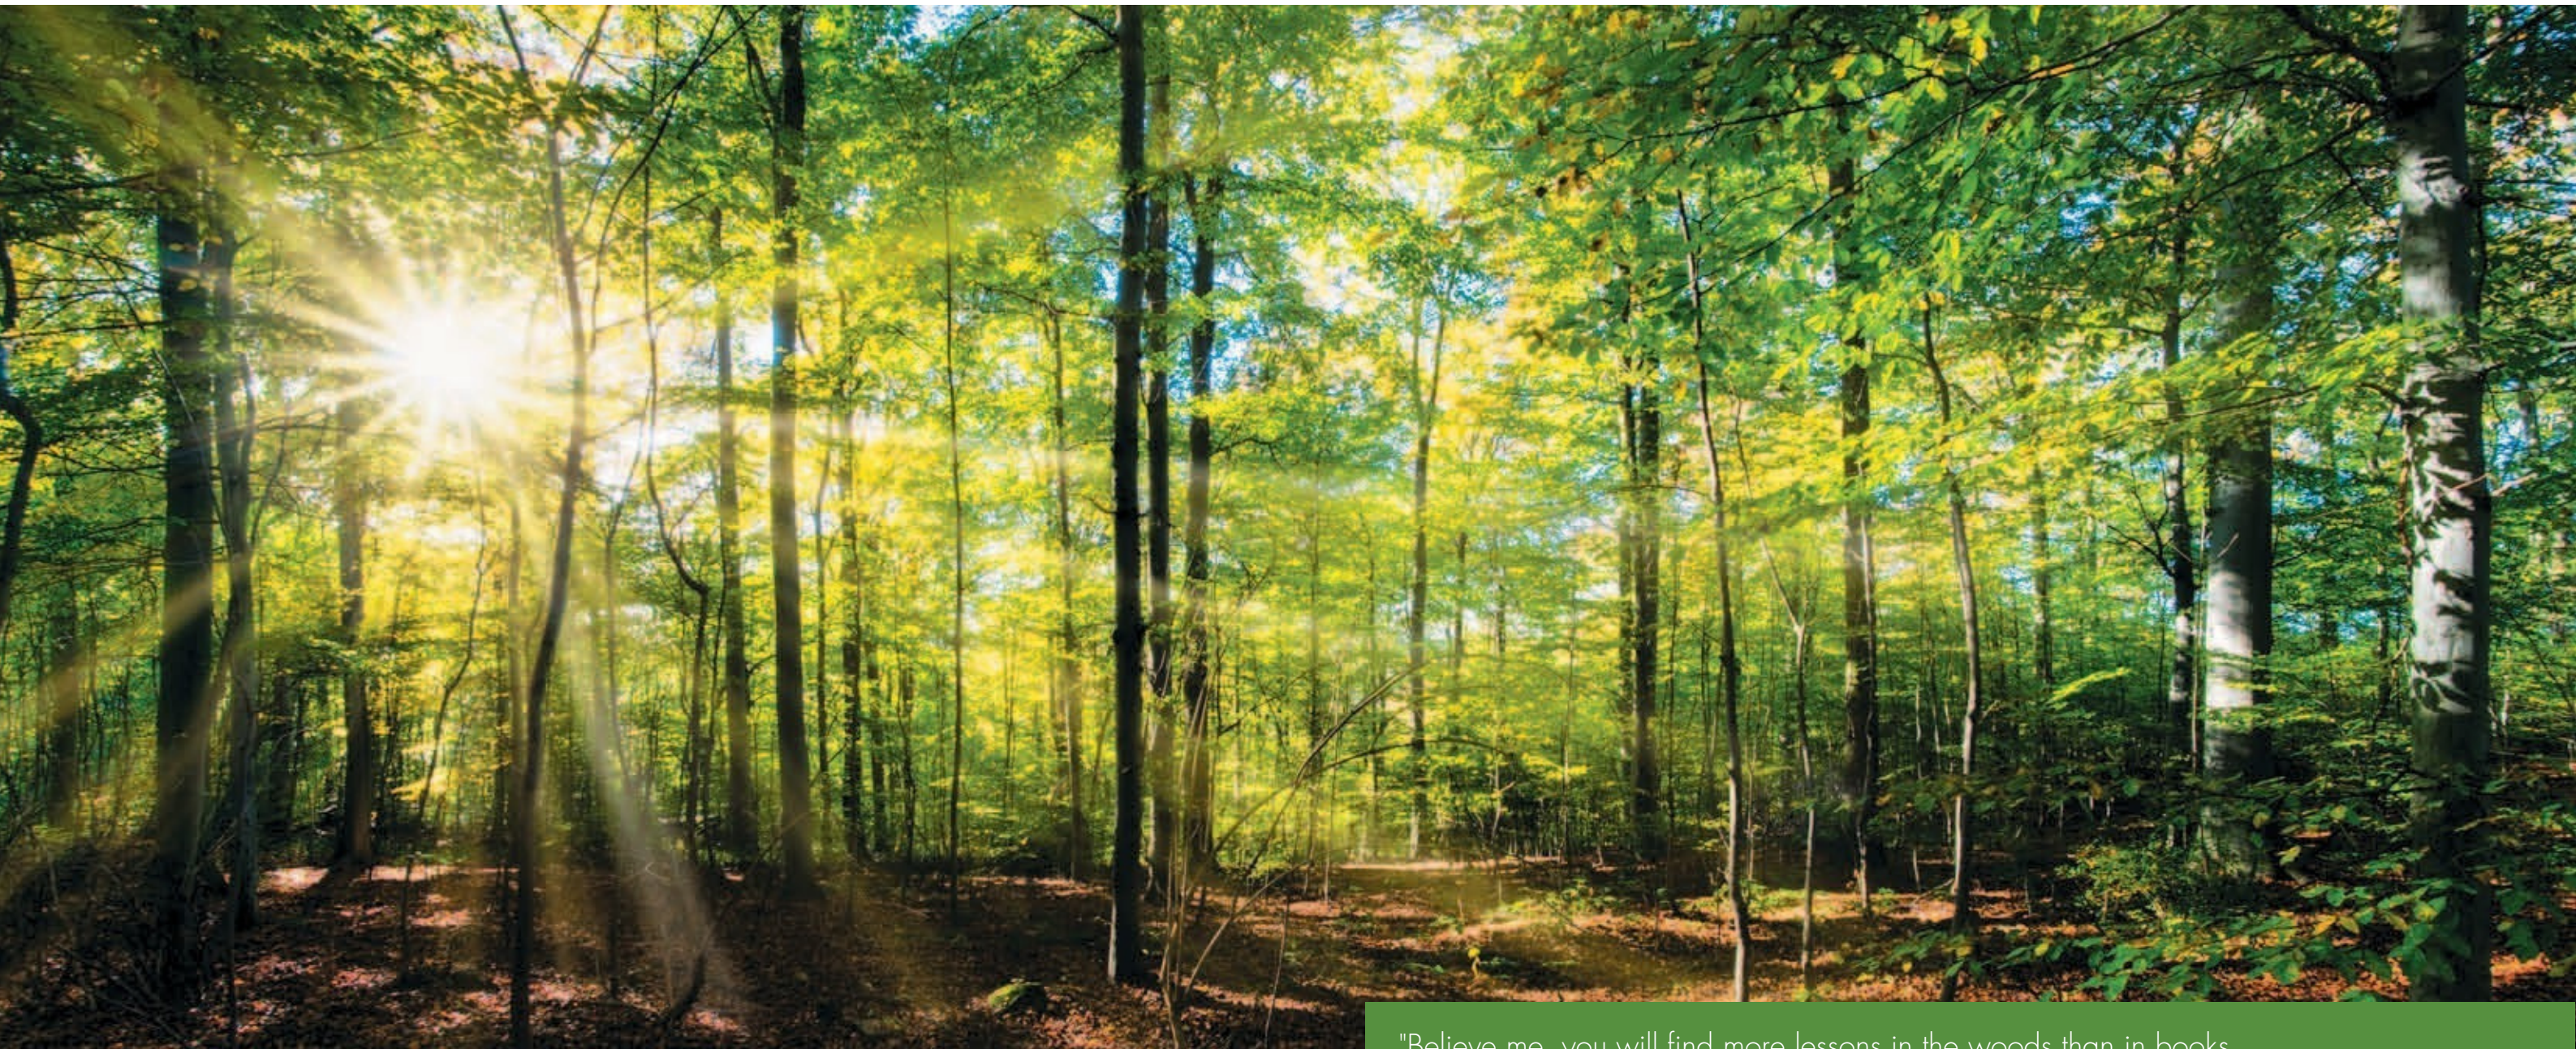

IT ALL STARTS WITH A DREAM

Ready to be assembled

In every corner of the home, in every moment of life, we like to say that there's a little of us. We are there thanks to a vast set of products that we constantly update, in accordance with market trends, in regards to materials and design.

Sustainability

"Believe me, you will find more lessons in the woods than in books.
Trees and stones will teach you what you cannot learn from masters."
Bernard de Clairvaux

Classic doors

C001

Anta e pannello in frassino massiccio.
Pannello pantografato in frassino massiccio.
Unione in controprofilo.
Finitura laccato bianco con decapè.
