SEBIOR

IT ALL STARTS WITH A DREAM

Let's Make Your Dream a Reality.

Let's Make Your Dream a Reality.

Our customers are at the heart of everything we do. We believe in creating bespoke solutions that not only meet but exceed expectations.

At Sebiior, we're overturning that old model. We built an outstanding team that shares our vision for quality and customer obsession.

Innovation drives us forward. We continuously explore new materials, techniques, and technologies to enhance our offerings. From smart kitchen features to cutting-edge design software, we ensure that our solutions are at the forefront of the industry.

We offer exceptional features as part of our standard design: kick drawers, integrated LED lights both below and inside your cabinets, and even counter top LED lights that can be configured to turn on when you walk into your home.

We've partnered with outstanding companies, a hardware company renowned for designing the highest quality and we use materials made right here in the USA. Our cabinets are meticulously designed to last a lifetime.

In fact, we stand behind our craftsmanship with a lifetime warranty.

In addition, we fabricate our counter tops and we can renovate and install your kitchen. You design and we build it!

Let's Make Your Dream a Reality.

Sebior, Inc., founded in 2024, means nothing less than "exceptional quality". Our cabinet boxes feature high grade material construction and are assembled with Thermo-melt glue for superior durability. We use premium hardware and drawer systems, while prioritizing American-made materials for construction. This, combined with a unique production process, allows us to offer a superior product at a price point that is highly competitive with other local shops. In addition, we specialize in motion activated LED lighting. All our LED Packages are complete and are ready for installation

From the rough mill to final inspection, all Sebior products are manufactured in custom-designed facilities. Our partners "hands-on" commitment to every one of our customers ensures product quality and customer satisfaction.

SIGNATURE SERIES DEFINITION

Our **Signature Series** is a collection of Cabinet Door and Drawer Front Designs with predefined specifications. Each design is uniquely identified by its **Signature Series** number and name, which specify the **Profiles**, **Essential Features**, and **Options** used for that particular Cabinet Door and Drawer Front.

Profiles include:

- Stile & Rail or Mitered Profile
- Outside Edge Profile
- Center Panel Profile

Essential Features include:

- Wood Species
- Door Style
- Wood Grade
- Thickness

Options may include, but are not limited to:

- Finishing Choice
- Hinge Boring
- Stile & Rail Size
- Applied Molding
- Decorative Inserts
- Radius Corners
- Finger Pulls
- Center Panel Face Routing
- Stile & Rail Face Routing
- Glazing
- Distressing
- And numerous others

This brochure features a diverse selection of our Signature Series Door and Drawer Front designs

Ordering Guidelines

We created the **Signature Series** to provide an **alternative** ordering option and additional tools to fulfill your needs. You may order our **Signature Series** designs using the number and name; or order completely Custom Doors and Drawer Fronts made to your specifications.

To order a **Signature Series** design, note the **Signature Series** number and name in the space provided on our E•Z order forms. You can order the design exactly as shown or with modifications.

To order a **Custom Cabinet Door and Drawer Front**, use our E•Z order forms and specify each Profile, Essential Feature, and Option.

To complete your order, list the **Quantities**, **Sizes**, and any other **Special Instructions** in the appropriate space on our E•Z order forms.

Contact our Customer Support Team with questions or to submit your order for a quote.

Example: S769 Orchard

When ordering S769 Orchard exactly as shown, the following Profiles, Essential Features, and Options will be used.

Profiles

- Stile & Rail Profile = SR135
- Panel Profile = PR326-25
- Outside Edge Profile = D7

Essential Features

- Wood Species = Oak-White
- Wood Grade = Rustic Grade
- Door Style = Style 10
- Thickness = 3/4"

Options

- Applied Molding = AM#2053
- 2 1/4" Stiles & Rails
- Finish = Saddle Brown Wipe Stain
- Distressing = SD 31, 51, 61, 71

Beneath each Door is the following:

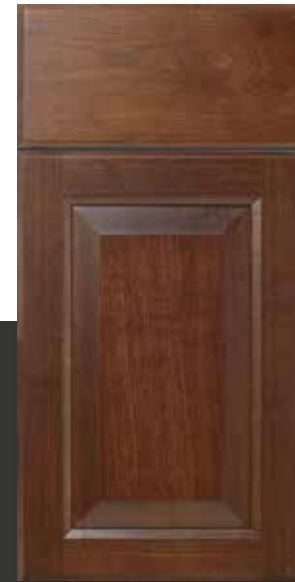

- Cross Section Drawing of the Door Profiles
- Signature Series Number and Name
- Wood Species
- Partial Finish Description

WOOD SPECIES OPTIONS

We utilize the finest Northern Grown Hardwoods and many other quality wood species, offering over 110 Wood Species/Grade combinations.

Available Grades of wood range from Select/Premium to Value/Budget/Paint, and everything in between.

Wood Species Options

- Afrormosia
- Alder
- Ash
- Beech
- Birch
- Butternut
- Cherry
- Cypress
- Elm
- Eucalyptus
- Hickory
- Jatoba
- Mahogany
- Maple - Hard
- Maple - Soft
- Oak - Red
- Oak - White
- Pine
- Poplar
- Walnut
- MDF Hybrid
- Veneer
- Others available upon request

Wood Grade Descriptions

Examples above in Maple-Hard Wood Species

1 Select/Premium Grades

- Uniform color throughout
- Focus on grain matching
- Suitable for Natural or light stain

2 Natural/Standard Grades

- Natural characteristics like heartwood & sap present
- Suitable for medium to dark stain

3 Rustic Grades

- Focus on use of knots, burls, & other natural characteristics
- Color may range from light to dark

4 Value/Budget Grades

- Makes use of material falling outside of Select or Natural Grades
- Suitable for medium to dark stains

5 Hybrid/MDF Paint Grades

- Solid Wood Stiles & Rails paired with MDF Center Panel
- Recommended for Painted Products

FINISHING METHODS

Our extensive finishing program offers a colorful collection of top quality Stains, SolidTones® (Paints), and Primers.

Our consistent, high-quality finish is available on all of our Solid Wood and MDF Cabinet Components.

Natural/Clear Coat & Stain Options

- Natural/Clear Coat (No Stain) - Catalyzed conversion varnish provides durability
- Wiping Stain (W) - Accents the natural beauty of the wood
- Spray No Wipe Stain (SNW) - Offers premium uniform color

Paint Options

- SolidTone (ST) Paint - Pigmented, acid catalyzed conversion varnish
- SolidTone WoodGrain (STWG) - Allows wood character to show through
- Primed Only For Paint - Catalyzed & Non-Catalyzed Primer options

Glaze & Distressing Options

- Create a truly custom look by adding glaze and/or distressing

Lifetime Warranty Policy

Sebior, Inc. warrants its products to the original end-user against defects in materials and workmanship for:

-Residential: Lifetime from purchase date against substantial defects in materials and workmanship. Coverage under this warranty is limited to the initial purchaser using the property as a primary or secondary home. It does not extend to subsequent owners upon sale of the dwelling.

***While our standard warranty applies to most items, components we purchase from other manufacturers have specific warranties: -Lighting, electronic, and powered parts are covered for 5 years-Decorative hardware and accessories carry a 5 year from the original purchase date.

-Commercial: One (1) Year from purchase date against substantial defects in materials and workmanship, including lighting, electronic and powered parts as well as decorative hardware.

The warranty will begin following:

-The installation date by an authorized Sebior, Inc. agent.

During this period, Sebior, Inc. will, at its discretion, either:

- Repair and restore the product to its original specifications.
- Replace the defective product.

This warranty is limited to the value of the defective Sebior, Inc. product and applies only to products stored, handled, and installed according to Sebior, Inc. guidelines. Sebior, Inc. is not liable for any indirect, consequential, or incidental damages.

Warranty Exclusions:

- Changes due to natural wood characteristics (grain, finish), or environmental factors (sunlight, temperature, humidity, water, wear and tear).***The beauty of real wood lies in its natural variations. Color and grain differ from board to board, and sunlight enhances these tones. Knots and mineral streaks are part of the wood's character. Please note these natural variations are not covered by the product warranty-Variances in manually applied specialty finishes.
- Products handled, modified, or repaired by unauthorized persons.
- Defects or repairs resulting from misuse, abuse, negligence, accidents, improper use or installation, or lack of maintenance.-Damage or expenses incurred during removal, shipment, or installation.
- Material and specification changes due to product development. Aesthetic changes are not valid reasons for warranty claims.

Warranty Claims:

- To make a warranty claim, the original end-user must contact the dealer or builder from whom the product was purchased, or Sebior, Inc. directly if purchased directly.
- Sebior, Inc. will determine if the product is defective according to the terms of this warranty.
- This is the sole warranty given by Sebior, Inc. No representative is authorized to extend its terms. All other warranties, express or implied, are excluded.
- This warranty applies only to the original end-user who purchased new Sebior, Inc. products directly from Sebior, Inc. or through its authorizedbuilders.

Sebior reserves the right to change or modify its products and specifications as part of our ongoing product development program and cannot be held liable for these changes, real or implied. A variety of door sizes, thicknesses, species, finishes, and customization of doors and components are available. Please ask your Customer Support Specialist for assistance.

Photographs in this brochure are for illustration only. Actual wood color and finishes may vary due to the printing process. For accurate color selection, we recommend you obtain a product sample.
